Signups for Swim Class Open Soon

Registration for swimming lessons at the Antioch Aqua Center will open Friday and Saturday, June 3 and 4, Mrs. Karen Baird, who is in charge, reminded children and adults this week.

Hours on June 3 will be from 3 to 5 p.m. and on June 4 from 1:30 to 5 p.m.

First swimming lessons will open at the pool June 8 and run through July 12 and the second round will start July 18 and run through Aug. 20.

Lessons are being offered to beginners, intermediates and swimmers classes.

There also will be four special classes for junior and senior life-saving, water ballet and for adults.

Ten lessons are being guaranteed at a new low price of \$3 a session. If more than one child is being enrolled for a session, parents will be given special consideration.

Extra children taking paid lessons may do so at the low price of \$2 per session, she said.

Junior and senior life saving courses run for the full 10 weeks and the cost of \$6 for these 20 lessons also includes the cost of a Red Cross textbook and award emblems.

Special classes will meet on Friday-Saturday. Adult and water ballet classes include a one hour lesson one day a week for 10 weeks. Swimmers and lifesaving classes run for two hours.

The local pool opened its doors for the 1960 season Monday (Memorial Day) and despite the cool weather and cool water, a good turnout was reported.

Funeral services for Mrs. Georgia Nelson, 52, of 468 Lake street who died Tuesday afternoon at a Waukegan hospital after a lingering illness, will be held at 2 p. m. Thursday at St. Ignatius church.

Mrs. Nelson was born April 19, 1908 in Ringwood and has lived in Antioch all of her life. She married Lester L. Nelson in Antioch on November 20, 1925.

She was a member of St. Ignatius Episcopal church, Antioch lodge, Women of the Moose; Antioch chapter No. 428 Order of Eastern Star, and Olson Camp, Royal Neighbors of America.

Surviving are her husband, Lester L.; two sons, George E. and Jack L., both of Antioch; two daughters, Mrs. Jane Meyer of Antioch and Mrs. Charlene McKinné of Roswell, N. M.; her mother, Mrs. Laura Bacon of Antioch and five grandchildren.

Paddock Lake Incorporated

PADDOCK LAKE, Wis. — The village of Paddock Lake became a reality this past weekend when residents of the community voted 2-1 to form a village separate from the town of Salem.

The vote was 270 in favor and 112 in opposition, or about 71 per cent of those balloting being in favor of the proposal.

The 384 who took part in the balloting was major portion of the estimated 450 eligible to do so.

Two ballots cast were marked wrong and discarded by the election judges.

Only the formality of filing official papers was needed this week before official designation of the village as an incorporated village is made.

By so voting, people of Paddock Lake became the third village to withdraw from Salem Township. The other two were Silver Lake and Twin Lakes.

ZION — Mr. and Mrs. Richard Kessler of route 4, Antioch, became parents of a daughter at the Zion Community hospital Friday, May 27.

No Serious Accidents On Holiday

Antioch and immediate vicinity was fortunate over the Memorial Day weekend not to suffer any major accidents or any fatalities although several people living in this area were injured in mishaps.

A parade down Antioch's Main street and services at the village park on Broadway on the holiday afternoon drew many down town.

Village police said no major mishaps occurred within the village limits although the streets were crowded with cars.

While the weather was not at its best every day from Friday through the holiday (Monday), it did not seem to bother many out of town visitors here to find a summer place, fix up one they already have and/or enjoy swimming and boating.

David Nissen, newest member of the village board, was the principal speaker at the village park services where music was furnished by the ATHS band. Rev. Wallace Anderson offered the prayer.

Five were reported hurt in the Channel Lake section on the Wilmet road in an auto mishap. They included Richard A. Skonning, 19, the driver; Beverly Jerde, 18; Vivian Gruidl, 17; Tom Moran, 17, and Billie Bernmark, 17, all of Antioch. Arlyne R. Bruner, 38, of route 3, Lake Villa, was treated at a hospital after her car ran off route 21 a mile south of Grand Avenue.

Another Lake Villa resident, George Cheever, 36, was in a McHenry hospital after his car struck a tree after leaving Ringwood road at Stillings Corner.

Three McHenry county people were slightly hurt in an accident at route 173 and the Spring Grove road west of Antioch.

The Antioch Rescue Squad was kept busy even through Tuesday evening with runs of various kinds to help stricken people.

1892 Edition of News Found in Kenosha

An 1892 edition of the Antioch News (the newspaper will celebrate its 75th anniversary in 1961) was brought to the News office last weekend by Harry Harper of 6335 Thirteenth Ave., Kenosha, Wis., who collects old kerosene lamps as a hobby.

The old newspaper had been found by Victor Sargent of the 13th avenue address in the home's basement. It was turned over to Harper because Harper has an antique collection.

SWINGING ALONG in the Memorial day parade in Antioch Monday afternoon were these Girl Scouts, Brownies, Cub Scouts, Boy Scouts and others as they passed near Lake street in downtown Antioch. The First National bank building is in the right background. This picture was taken near the head of the parade that also included a color guard, fire department personnel and rescue squad men, the Antioch grade school band and the ATHS band. Despite a cloudy morning with a threat of rain, a fair sized crowd was on hand to see the procession and to hear the Memorial day service in the village park. (Antioch News photo)

Photos to Be Printed As Soon as Possible

Lack of space in recent weeks has made it necessary to postpone publishing of some photographs taken by the Antioch News.

These will be printed as quickly as possible. They include, among others, picture of bowling league champions and eighth grade graduates of several schools in the vicinity.

Two or three are being delayed because identification of people shown has not been made by the organizations or groups represented.

Deer Pulled Out

Lake county deputy sheriff Ernie Wagner and George Dronner of Fox Lake, assistant chief of the Chain O' Lakes Water Patrol, were "heroes" over the holiday weekend when they pulled a "kicking" deer out of the water.

The half grown doe was taken from Fox Lake apparently unhurt, but perhaps suffering from shock.

LAKE VILLA — Anna Seisser of Lake Villa has been named to the executive committee of the Lake County Democratic Central Committee.

Vacation Time About Here For Area School Students

This week Wednesday evening saw the Antioch and Oakland grade school eighth graders receive their diplomas in ceremonies at the Antioch gym, before a more than capacity crowd.

Judge Thomas Moran of the probate court in Lake county was the principal speaker.

Others taking part included the grade school band, Rev. Wallace Anderson, Norman S. Jedge, president of the school board; W. Richard Whittacre, school superintendent and Lake county school superintendent W. C. Petty.

The ATHS baccalaureate is scheduled Sunday evening, June 5, and the commencement exercises Tuesday evening, June 7. Further details on these events will be found elsewhere in this week's Antioch News.

Monday (Memorial day) was a holiday for students throughout the

district but is was back to work, especially preparing for exams, on Tuesday.

Thursday of this week saw the end of the final six-weeks period at ATHS and semester exams were to start Friday and continue next Monday.

Grass Lake school graduation is scheduled Friday evening, June 3, and a picnic is planned for the students next Monday.

Wilmet high school scheduled its graduation exercises Thursday evening, June 2, and Salem Central high held its rites Wednesday evening, June 1.

Next Monday at 9:30 a.m. will be promotion day for kindergarten children at the Antioch grade school in the school gymnasium.

Mrs. Esther Wilton's first grade pupils were scheduled to go to the Hawthorne-Melody farm and zoo near Libertyville Thursday afternoon, June 2.

Oakland school kindergarten through second graders will picnic at the school grounds June 7. Those children in the third through seventh grades will travel to Fox River park near Silver Lake, Wis., the same day.

Eighth graders from Oakland school held their picnic last Friday.

Lutherans to Install New Pastor on Sunday

The new pastor of Faith Lutheran church in Antioch, Rev. Marvin Otterstatter, will be installed at services Sunday, June 5, to become the first resident pastor of the local church located south of town on highway 21.

Pastors of sister churches in this vicinity have been invited to attend the installation and a visiting pastor has been asked to deliver the sermon that day.

The service is scheduled for 4:30 p.m., after which a lunch will be served in the church basement. He is expected to preach his first sermon in Antioch on June 19, having planned to attend a wedding on June 12.

Pastor Otterstatter, his wife and child arrived in Antioch late last week and are living in the new parsonage near the church.

Baccalaureate Sunday Evening In Auditorium

(List of Graduates on Page 6)

It will be "curtains" as far as about 150 Antioch Township high school boys and girls are concerned when commencement exercises are held at 8 p. m. Tuesday, June 7, at the school athletic field.

Weather permitting the program will be held on the field. Otherwise it will take place at the same time in the school auditorium.

Sunday evening will come the baccalaureate program scheduled for 8 o'clock in the auditorium.

Principal speaker for commencement will be Dr. Robert D. Steele of Carroll college whose topic has been announced as "Quo Vadis."

Dr. Calvin Midgley of Antioch will be the main speaker at baccalaureate services Sunday evening. His subject has been announced as "The Most Important Thing in the World."

The high school select choir under direction of Kenneth Smouse will sing at both programs.

Playing at commencement will be the ATHS band under the direction of Joseph Rush, while pianist at baccalaureate will be Judy Turner.

Rev. David Lynch will give the invocation at the graduation exercises and for baccalaureate Rev. Robert Prinzing will give the invocation and benediction.

Escorts for the graduating class at baccalaureate will be Karen Lightsey and Joseph Etten, members of this year's junior class.

Warren Polley, assistant principal, will introduce the guest speaker at commencement, and presentation of the graduating class will be by principal Albert L. Dittman.

Robert Denman, president of the board of education, will present the diplomas.

"The Star Spangled Banner" will conclude the commencement exercises.

Water Patrol Rescues Four

Four men were pulled out of the water from Grass Lake Memorial day (Monday) afternoon by the Chain O' Lakes Water Patrol. None was reported injured.

Patrolmen reported the quartet had left the Ed Smith resort on a joint fishing trip in two boats. One of the motors conked out and the other boat was being used for towing when a gust of wind caused both to capsize.

A Water Patrol boat was nearby at the time and all four fishermen were saved. All were from the Chicago area.

Three in the patrol boat were Laddie Sessie of Antioch, Richard Steinbach of Ingleside and John Wiley of Fox Lake.

Art Resto of Franklin Park helped get the two capsized boats ashore with his 21-foot Century inboard.

Public Phone Booth Added to Main Street

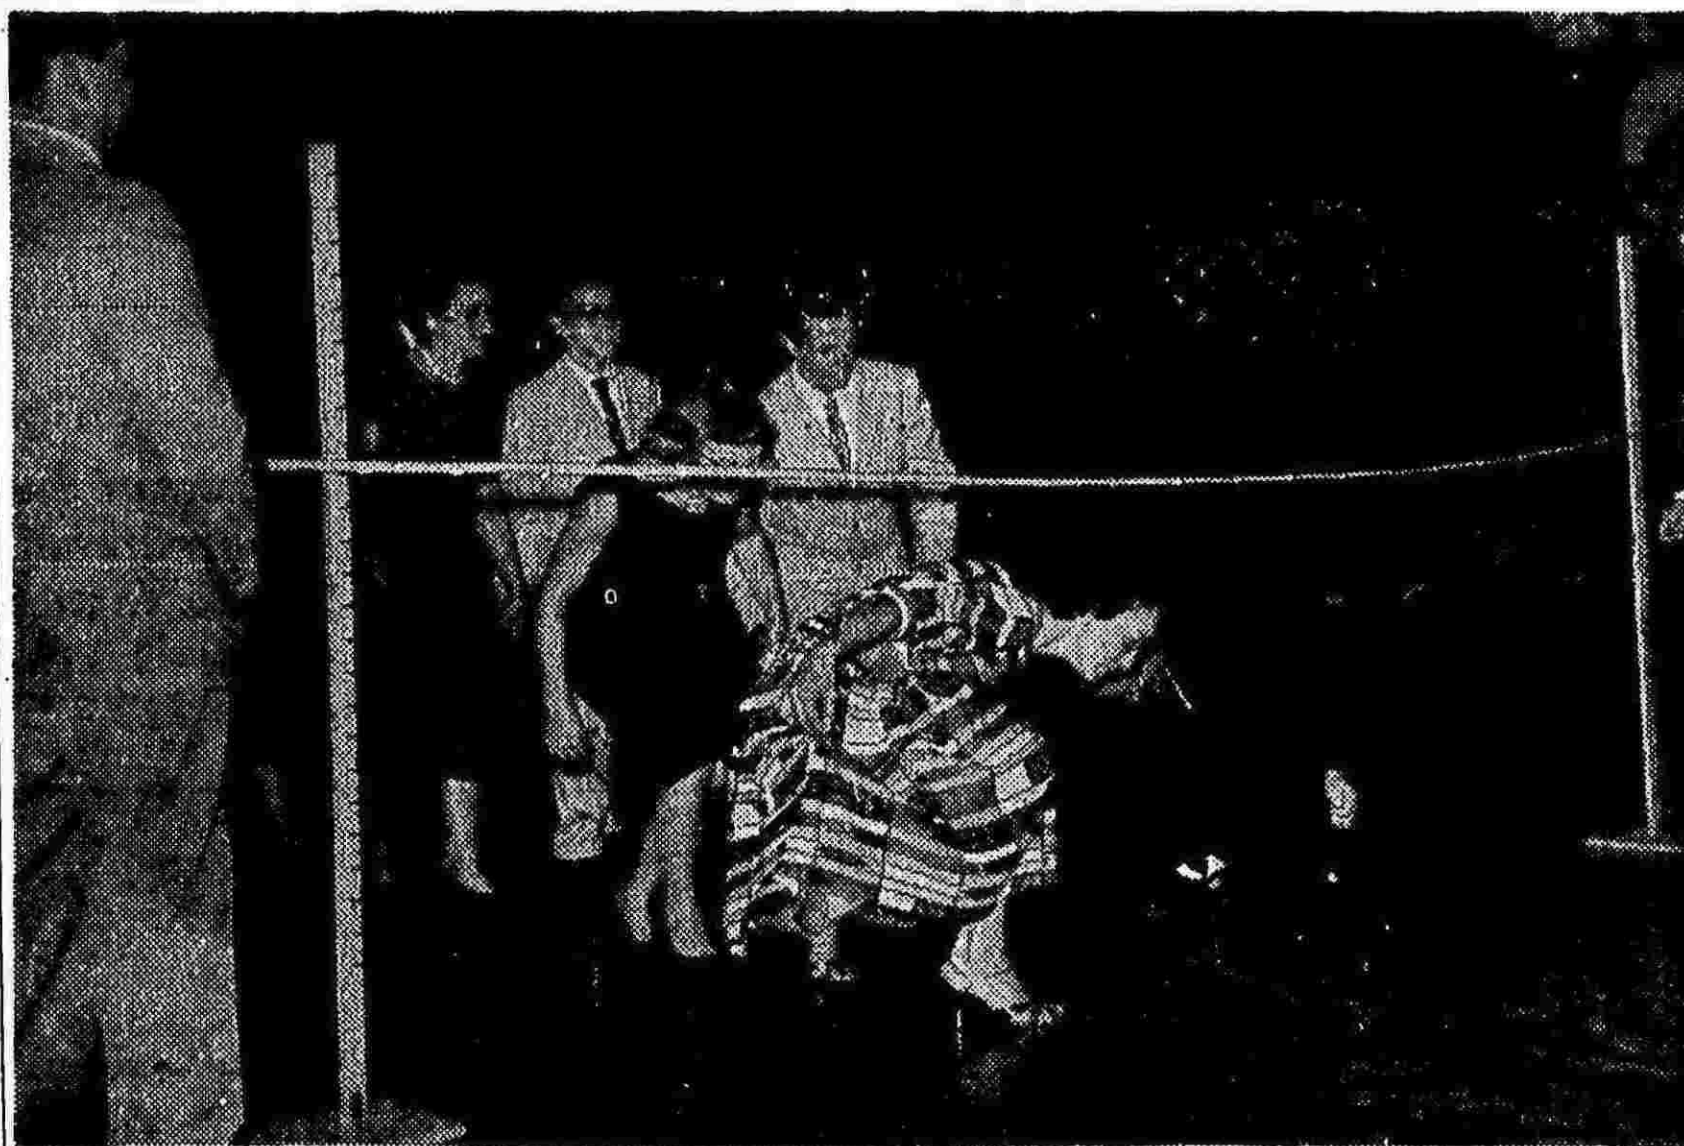

A new public phone booth has been put in service in downtown Antioch with installation completed on a unit at the corner of the Moose home on Main street near the rescue squad building entrance. The phone number is 356.

The village board authorized the installation at its May meeting when it was pointed out that there was no public pay booth at that end of the main street. The nearest was at Lake street.

Spring Horse Show Scheduled June 6

LIBERTYVILLE — The Libertyville Lariettes Saddle Club, Inc., this week announced that its spring horse show will be held Sunday, June 6, at the show grounds on Park avenue in Libertyville, starting at 9 a. m.

Club members suggested that "you bring the whole family for a day filled with colorful and fast-moving events." Lunch will be provided on the grounds.

"CASEY LOWERED THE BAR" many times after this photograph was taken at the Eighth grade series of games and program in the Antioch grade school gym last week Wednesday evening. These events followed the banquet for graduates and their parents held in Wesley hall of the Methodist Church. Here several parents and students are attempting to go under a bar without touching the floor with their hands or their knees. The bar went to within about eight inches of the floor before the final contestants "gave up." Shown are George Oliser (left) and John Jessup (right) guarding the bar. Going under are Mrs. Frank Feiler and Rev. Wallace Anderson; next in line are Mrs. Virginia Dotson and her partner Chuck Carey (eighth grader) and Mrs. Ruth Beethke and her partner John Anderson (eighth grader). (Antioch News photo)

DEAR READER News Editorials

A HANDBOOK FOR VOTERS

Each election year multitudes of "get out the vote" campaigns are conducted. This is all to the good, but one more thing is needed—namely, informed intelligent voting.

A new paperback by John A. Wells, entitled "The Voter's Presidential Handbook" (McDowell Obolensky, New York) does an excellent job of filling that need. Sponsored by the Committee to Inform the Voters, it provides in concise and readable form a history of the office of the president along with description of his powers, duties and responsibilities; biographies of the 1960 presidential possibilities of both parties; a discussion of how each individual can be active and effective in politics; the way the national party conventions operate in choosing their presidential and vice presidential candidates; and a wealth of other valuable matter.

Mr. Wells dedicates his book "to the independent voter who, even if a member of a political party, does not blindly follow party dogma or a party leader, but thinks for himself and votes for the candidate or proposition he believes best for the people." The country sorely needs more voters of that kind.

Awards Presented at Cub Pack 86 Meet; Other Channel Lake News

By Mrs. Pearl Kappel
Phone Antioch 1837

CHANNEL LAKE — Several awards were given out by Cubmaster John Eckert at the meeting of Cub Pack 86 at the Channel Lake school house on May 27.

It opened when Den 3 presented the colors with a rather unusual color guard—all members were in blackface, ready to take part in a skit they presented to the audience later.

Eckert presented a bobcat pin to Kenneth Knackstedt, Jr.; assistant denner stripes and a bear badge to Fred Wittleder; a bear badge to Dennis McCarthy; Denner stripes, a golden arrow and three silver arrows to Richard Lebowski and a silver arrow to Sam Harris.

Den 3, dressed as singing minstrels, sang "Swanee River". Den 2 presented a kitchen band. Den 1, with the Cubs dressed as girls, danced a Can-can to the music of "Camptown Races".

It was a finished performance except for the fact that Ken Knackstedt, turning hand springs, persistently lost his wig.

Den 4 were end men and delighted the audience with jokes.

At the close of the meeting, cake, coffee and milk were served by Den 3.

Paul Kalth was presented with a plastic model airplane as a going-away gift by the den for which he has been den chief.

The next pack meeting will be at Fox River Park on June 19. The theme will be the Cub Scout Olympics.

Joellyn Roszinski celebrated her eighth birthday with a pajama party Friday night for nine of her young friends and a birthday party, complete with cake and favors on Saturday, May 28.

Joellyn's guests were Deborah and Susan Hessian, Patricia Wiczorek, Charlotte Bolton, Karen Trussell, Joan Bjork, Theresa Ring, and Christine and Cynthia Libert.

Mr. and Mrs. Lewis Rogers, Mr. and Mrs. Ed Kania, and Mr. and Mrs. Richard Roszinski attended a reception at Patrice's in Chicago recently, given by Mr. and Mrs. Ben Kania of Los Angeles.

The guests had dinner and spent

the evening dancing. Mr. Kania is a brother of Mrs. Ann Rogers and Ed Kania, both of Channel Lake, and is spending two weeks visiting old friends and his family in this area.

Mr. and Mrs. Ed Kania recently returned from a month-long trip to Arizona and Florida. While in Tucson, they visited the Vernon Rogers'.

Site for the Channel Lake school picnic on June 7 has been changed from Happy Acres farm to Fox River Grove.

Congratulations to Mr. and Mrs. John Eckert. They will celebrate their 12th wedding anniversary on June 5.

Mr. and Mrs. Phillip Burgdorf celebrated Memorial day by becoming parents of a girl born at Victory Memorial hospital. She weighed in at 7 pounds 2 ounces. The couple also has a son, Phillip, Jr.

Mr. and Mrs. William Dowell, Sr., of Los Angeles are visiting at the Thomas Chase home and seeing numerous friends and relatives in this area. The Dowells flew to Chicago from Los Angeles.

Archie Shannon of Shannon Avenue is home from the hospital after undergoing surgery.

Mr. and Mrs. C. W. Pflager spent last weekend in Kansas City.

Katharine Chase, daughter of Mr. and Mrs. Thomas Chase, is confined to her home by measles.

Seniors in this neighborhood who went on the boat trip from Milwaukee to Muskegon, Mich., report that they had a wonderful time in spite of many misadventures.

Things started off rather badly when the boat ran into the breakwater at the beginning of the trip (We heard on the radio that the boat was laid up for repairs the next day). However, the trip continued, though behind schedule. Don Pyles missed the boat when it left Muskegon. Prevented by a passing freight train from crossing the tracks to the dock, Don sat dejectedly on the pier and watched the boat pull away while his comrades shouted impractical advice to him.

He hitch-hiked to Michigan City, took a train to Chicago and another train to Waukegan.

Tess Baumann, Lake Avenue, spent the Memorial Day weekend in Waterloo, Iowa, at the home of her sister, Mrs. Henry Youngquist.

Ed Mauman spent the week-end on a fishing trip to Bemidji, Minn.

Jerry Kubicki, son of Mr. and Mrs. Henry Kubicki of Sun-Side subdivision, had his foot injured rather badly when it was caught in a rotary mower as he mowed the lawn Monday.

Six young people were involved in an accident when the car in which they were riding turned over on Wilmot road on Monday afternoon, May 30.

Driver of the car was taken to the Antioch clinic by the Rescue squad. Other occupants of the car appeared to have only minor bruises.

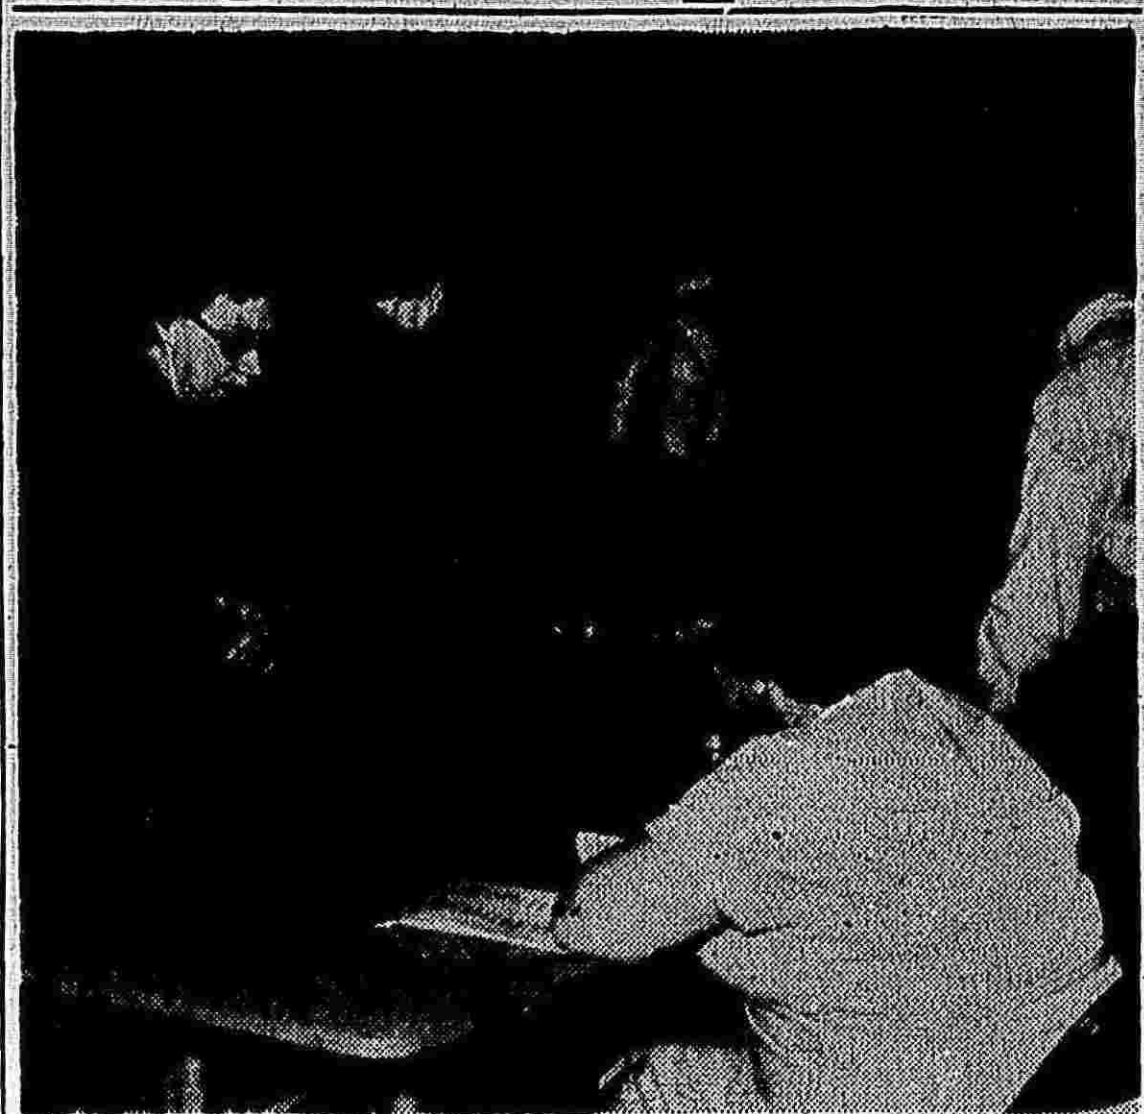

Firemen Sell Tickets

Antioch fire district and village firemen this week are selling tickets for their annual dance to be held at the local fire station the evening of Saturday, June 25.

King Jaros and his orchestra will provide the music for this 47th annual event. Firemen have been calling at local and rural homes selling tickets.

VOTING AT PADDOCK LAKE last Saturday morning had started to "pick up" when the cameraman stopped by to see how things were going. Voters decided by a large margin (270 yes and 112 no) to organize the Village of Paddock Lake and thus separate itself from the Town of Salem. The special referendum held last weekend was ordered by circuit court judge M. E. Baker. Balloting took place in Central high school's main hall. Election officials shown are, Mrs. Thelma Hoffman (seated), election clerk; Helmut Meyers (deep background) and Earl Torrey (standing, right). Another election official, Mrs. Britomarte Cool, is not shown. (Lake Region News photo)

Twenty-five will be selected to demonstrate at the Kenosha county fair and to receive awards from the Kenosha chamber of commerce.

Courthouse Notebook —

BY LOU DURKIN

This Lady's Timing May Have Been Off

Addie DeVost, a two-time winner in the Lake county murder sweepstakes, picked a bad time to try for her third triumph in her own peculiar version of Russian roulette last week.

The 41-year-old negro woman who used an axe and a shotgun in disposing of two previous husbands and then escaped punishment on self-defense pleas, displayed unusual versatility in eliminating her latest helpmeet using a hammer, screwdriver, and auto jack.

Her timing in this latest escapade may prove to be her undoing, however, since it comes close on the heels of a blast levelled at Lake county jurors by assistant state's attorney Eugene T. Daly who blamed soft-hearted and disinterested jurors for the unfortunate record of "Not Guilty" verdicts returned in Lake county murder cases.

Daly has also credited a sort of reverse racial discrimination for the high record of acquittals in cases involving negro defendants opining that jurors perhaps subconsciously feel that colored defendants are not expected to obey the same laws as other people.

This same opinion was voiced several years ago by State Representative Robert E. Coulson when he was a member of the state's attorney's staff.

It is possible that a jury composed of leaders of the negro community would be less tolerant in cases involving negro defendants since they would no doubt recognize that real equality must be attained in courts of law before it can be extended to other phases of community life.

Miss DeVost, in a statement to police and State's Attorney Bruno W. Stanczak shortly after her arrest, said "Voices told me to hit him," but at the inquest called by County Coroner Robert H. Babcox she insisted she couldn't remember anything about her fight with the victim, Sam Conner.

The coroner's jury recommended that Addie be held for murder and that she be "dealt with severely."

L. J. Wilmot, former circuit court clerk, put in a plug for a popular current movie when he dismissed Addie's story about the "voices" as "Pillow Talk."

Unofficial census figures recently published which placed Lake County's population below the 300,000 mark eliminated the need at the present for the special legislation enacted at the special session of the Illinois General Assembly which raised the population limits for the election of county auditors.

Before the bill was passed it was mandatory for counties over 300,000 to remove the auditor from the ballot and for the county board to appoint an auditor of public accounts.

The disappointing head count also took the board of supervisors "off the hook" as far as pay hikes for county officials are concerned since the pay range in counties over 300,000 population has been set at \$11,000 to \$13,000 a year.

There was an interesting Brotherhood Week drama enacted in circuit court last week when a Catholic attorney, William T. Kirby, representing a Jewish client, brought suit against the religious order which operates St. Therese hospital, which was represented by Robert Snook, a protestant.

The jury awarded Isidore Joseph, the plaintiff in the action, \$35,000 in damages.

To be safe for highway travel, a tire should have at least a sixteenth of an inch of traction all the way around. In addition, the tire's sidewalls or casings should be undamaged.

If you find it necessary to change "bossy's" feed, do it gradually over a period of a few days. Dairy cows are creatures of habit. Any sudden change in feeding or management tends to upset them.

Mildew Growth Is Household Enemy!

Mold and mildew fungi—one of the household's more annoying and destructive enemies—at this moment may be stealthily spreading its way onto your priceless heirlooms, drapes, expensive bedding, and favorite books, curtains, shoes. Active night and day, outdoors and indoors, in both northern and sub-tropical climates, mold and mildew grow each year cause over \$100 million in damages and rot throughout the nation! It is a problem common to the home—as well as larger establishments, such as factories.

Both mildew and mold growths are parasitic fungi which thrive on various types of substances and organic matter. Usually, the growths cause dark spotting and staining, and thrive best in air-lodged, moist areas (such as the folds of shower curtains); however, they may occur under totally dissimilar conditions.

Areas affected by the growths left unchecked can result in severe discoloration and rotting. The best solution to this widespread problem, of course, is to discourage mold and mildew growths from forming.

Commercially sold mildew preventives are easily obtainable, and may be purchased in conventional packaging or in a newly-marketed aerosol spray. The latter is proving a boon to housewives since aerosol-packaged mildew sprays are convenient, easy to apply, get the job done fast, and easily penetrate into crevices and other hard-to-get-at areas. Further, it makes the job of mildew-proofing larger areas (e.g., walls, closets, mattresses) almost effortless.

Only one aerosol mildew spray is now available for consumer use. Called Mildew Spray, the product was developed by Sprayway, Inc., one of the nation's leading aerosol packagers, and is now available in supermarkets. It has been thoroughly tested and approved by a leading Chicago chemical and bacteriological testing laboratory. The new product also deodorizes and freshens wherever used.

Here are some common places where mildew and mold growth are likely to form in, and around, the home: bedding, shower curtains, shoe linings, books, luggage, clothing, walls and closets (especially in the basement), drapes, leather goods, upholstery (in the auto, too); plus sporting equipment, such as boat canvas sails and covers, golf shoe and golf bag linings.

ANTIOCH CHURCH LADIES are shown here as they recently honored Mrs. Shirley Kaeth (third from left, seated) who with her family will be leaving soon to make her home in California. Ladies of the local First Church of Christ Scientist attended the tea at Smart's Country House. Shown are, from left, standing, Mesdames Eleanor Micheli, Katherine Farnsworth, Sophie Spencer, Edna Grossi, Kay Christopherson, Mary Angell, Helen Creighton, Lucy Kerber, Pearl Powles, Frances Wells; seated on chairs, Mesdames Mabel Weber, Marge Ohlgren, Kaeth, Cheryl Pfleger, Margaret McNamra, Elle Hoop, Gertrude Grisso, Olga Ward; seated on floor, Mrs. Ingeborg Wiegand and Mrs. Barbara Reese. Lake Boat Races Open Sunday

Full Schedule For Summer on Nearby Waters

Eight races will be held on Fox Lake at Minocqua during the 1960 season, the Chain O' Lakes Boat club announced this week.

Dates for them are June 5 and 26, July 17 and 31, August 14 and 28, and the Governor's Cup race on Sept. 10 and 11. Governor Stratton is expected to make the trophy presentation to the high point racer after the latter event.

The big 5-hour marathon race has been set for October 8. This race usually is full of surprises, upsets and anything can happen—and often does.

Commodore Lou Portalski of Antioch will start the season out with a brand new ski class boat sporting the name "Greyhound." Les Brown will be racing for that U. S. 1, red white and blue paint job this year.

Jim Bowler is reported to have rebuilt the nearly demolished "Widow Maker" and that he probably will be after a few ski trophies this season.

Whitey Johnson has switched to Chrysler-power this season, after racing his fiberglass Rayson craft

powered with Cadillac engine last year.

Another boat with a well known name on the Chain O' Lakes is Bob Trinkl's "Mistake." This craft is said to be ready for the 1960 season with its easily recognized chrome engine and plush upholstery.

High point driver for the 1959 year was Johnny Moulla and he plans to be out again this season with his swift "Rum-Runner 9."

Lots of new ski-class boats are reported ready for racing this year and the Chain O' Lakes Boat club expects more in this class than ever before.

Among others expected to be seen on the lakes are Tracy Hill, Bob Flood, Babe Ambacher, Joe Moulla, and Elmer Koske, just to name a few.

Frost Wins Race Opener

WILMOT, Wis.—Inclement weather surrounding the grand opening of the Kenosha county fairgrounds Speedway at Wilmot did not dampen the spirits of Jack Frost of Zion in powering his stock car to a victory last Saturday night.

Frost took the 25-lap feature event at an average of 52.04 mph. Finishing behind him was Milt Curcio, Racine; Ed Stillman, Milwaukee, third; Rod Fuller, Racine, fourth, and Bob Rataczyk, Kenosha, fifth.

An accident marred the semi-final feature of 16 laps won by Lou Clavey, Glenview, Ill.; George Reeves, Grayslake, second; Roger Irving, third.

Five 10-lap heat races were won with the victors as follows:

First heat—Roy Clark, Lake Zurich; second heat—Lou Clavey, Glenview; third heat—Rod Fuller, Racine; fourth heat—Frost, Zion; fifth heat Rataczyk.

Total purse was \$1,200 and the paid attendance was 2,400.

If you have someone to work for you, have him show you his social security card and then copy his name and account number in your permanent business record book.

Basic Course For Boaters

The Waukegan Power squadron will conduct a basic instruction course for small boat owners and non-owners. The course is free of charge to men, women and children who are 16 years of age or older.

The course will start Saturday, June 4, from 10 a.m. to 12 noon, at Korpan's landing, 112 E. Lakeview Ave., Fox Lake.

Lakeview Avenue can be reached by taking Forest Avenue (which intersects Grand Avenue and Rollins road) to the end of the road, then turn right on Lakeview avenue.

This elementary course, which is called the piloting course, is comprised of the rules of the road, safety afloat, manners and customs, equipment and regulations, lights and navigation aids, seamanship, compass, charts and piloting.

Those who successfully complete the course will be awarded a certificate and the men will become eligible for an invitation to join the United States power squadrons.

Wilmot, Central Lose Sectionals

MAYVILLE, Wis.—Revenge was centered on Salem Central high school's baseball team last Thursday as Boys Tech of Milwaukee downed the Falcons 4-2. Two years ago the Milwaukee school was eliminated from the sectionals by Salem.

In another game played last Thursday, Wilmot high school dropped out of the sectional tournament by losing to Mayville 3-2.

The Falcons were limited to two hits, one of them a long homerun blast by Dave Erickson. The other hit was off the bat of Weis.

Jim Westman on the hill for Salem Central gave up nine hits.

A boy by the name of Wilmot oddly enough was the nemesis for the Wilmot Panthers. Tim Wilmot limited the Panthers to three hits, two of them by Glen Rasch.

Greg Bush did a good job on the mound for Wilmot high, limiting the foes to two hits, both of them by Del Gindt, a homerun and a single.

It was the 1960 season finale for the Panthers crew.

More Deer Reported In Grass Lake Area

The two deer reported seen in the Grass Lake road area two weeks ago made another appearance last week Wednesday.

Mrs. Walter Gebhardt of route 59 near the Grass Lake road reported seeing a buck and doe on highway 59 about a half mile south of Nielsen's corner last Wednesday morning.

She said a car honked its horn and the two animals ran over the corner of the Gebhardt lot, jumped a fence and headed toward the Grass Lake area.

Two weeks ago two families on Grass Lake road told of seeing a pair of deer in or near their yards.

The monthly theme, "Showboat," was emphasized when the boys answered to the roll call by naming rivers.

The following boys received awards:

David Forbes—Wolf badge; William Forbes—Bear badge; Richard Hart, Anthony Lomma, and Robert Beese—Lion badge; Anthony Lomma and Robert Beese—Gold Arrow under Lion.

In the closing ceremony, the boys rededicated themselves by repeating the Cub Scout promise and the law of the pack.

Refreshments were served by den mother Ethel Jennrich and mothers of Den 5 members.

John Paul Jones' ship, the Bon Homme Richard, was named in honor of Benjamin Franklin's fictional philosopher.

Lindenhurst Men's Club to Meet Thursday; Other News of Section

By Mrs. Bernice Bernau
Phone Elliot 6-5649

LINDENHURST — The Lindenhurst Men's club will have its regular monthly meeting at 8 p.m. at the Men's Club house.

All village men are invited to attend, regardless of whether they are members or not.

Tony Drago, program chairman, has planned an interesting and educational program.

He has invited W. F. Wiedemann, of the Bell Telephone company public relations department, to give a lecture and demonstration on "Sun, Sand and Transistors."

This has to do with solar energy and solar batteries.

Ted Brendel of Thornwood drive is president.

David Fabry, 12, of Fairfield road, placed second in the 50-yard dash, and third in the relays in the Grade School track meet held May 23 in Antioch. David is in the sixth grade at Lake Villa school.

Have you started cleaning out your closets yet? If you have, and have lots of things you don't know what to do with, send them over to the Lindenhurst Garden club's rummage sale to be held June 18 at the Men's clubhouse.

Mrs. Loblillo will give more information if you call her at Elliot 6-7884.

If your closets are empty, be sure and attend. Perhaps you can find what you need.

Diana Barnes of Witchwood lane gave a jewelry party in her home recently. Those who attended were Dolores Meier, Helen Skelton, Shirley Batterton Ruby Swoboda, Ardell Schultz, Lynn Hay, Gert Smith, Irene Rathke, Helen Maumgartner, Lorraine Lewis, Mary Loblillo and Diane Rathke. Mary Loblillo won a pair of earrings.

Mary and Gene Wiczorek of Longmeadow drive, are parents of their third child, a son, not yet named, weighing 6 lbs. 14½ ounces. The little tyke was born May 25 at MacNeal hospital in Berwyn. The Wiczoreks' other children are Georgie 4, and Christine 2.

Auf Wiedersehen to Dorothy and Albert Moe and their children, Karen and Gary, of Hickory drive. They moved to Mundelein May 21. Dorothy's canasta club members missed her not being with them Friday evening.

The Friday night Canasta club met at Betty Janega's home on Hickory drive. Winners were Dolores Povallitis, who received a bottle of cologne; Ida Christensen, who won a milk glass bowl; and Pat Schartz who won two pretty handkerchiefs.

Unlucky players were Georgia Sutherland, Bert Harceg, Ing Spiegler, Ellen Harsh, Ruth Burke, Pat Verba, Helen Mindak and Mel Uebele.

A bridal shower was given for Jeannie Koziol of Valley drive, Sunday afternoon, May 22, at the VFW hall in Lake Villa. Friends from Lindenhurst, Chicago, Rogers Park and Crete were there.

Jeannie and Richard Graas of Rogers Park are to be married June 25 at Prince of Peace Church at 10 o'clock mass.

Sandy Golden of Elmwood drive had a party May 24, to celebrate her 9th birthday on May 28. Those who helped her to celebrate were Mary Paprzyca, Carol Langager, Ruth Ann Ireland, Linda Lance, Diane Puckett, Peggy Bresemann, Jan Heidner, Susie Drago and the three Willett sisters, Susie, Patty and Frances.

The girls played several games. A few were pitching pennies, carrying a cotton ball, guessing how many corn kernels were in a jar, hot potato and trying to remember

items on a tray after seeing them for a minute.

The winners received prizes, and all the girls received a pony-tail holder and barrettes as party favors.

They had decorated cream filled cupcakes, candy in nut cups, ice cream and soda. Sandy's brothers, Billy, Corky, and Michael, and her sister, Denise, enjoyed refreshments with the girls.

Margie Zegan, 5, of Sand Lake road, has been a patient in a Chicago hospital for some time, undergoing several different tests. Her mother has been staying in the city to be near her. Little Margie would appreciate receiving get-well cards from her friends. Just send them to her home and her mother can take them to her if she isn't home. She is the daughter of Richard and Bernice Zegan.

Mrs. Bernice Frontzak of Sand Lake road entertained her social club May 24. Members are Lu Stanley, Lois Flanagan, Dee Flint, Grace Slove, Millie Caldwell, Ethel Brendel, Babe Hartwig, Anne Lance, Vivian Fidanzo, Esther LaChance and Ronnie Sanders. The girls played games and had refreshments.

The Lake Villa school senior band played for the Wauconda grade school carnival last Saturday, from 5 until 6 p.m.

The first graduation party that I've heard about took place late Saturday afternoon, and lasted until almost 11 p.m. Bill Golden of Elmwood drive invited his entire eighth grade class from the Lake Villa school, but only 21 were able to attend.

The boys and girls played games, listened to records, danced, told jokes and had fun. They ate hot dogs, hamburgers, potato salad and everything else that goes with it to make a party a success. They had two decorated graduation cakes, complete with diplomas, and a boy and a girl in a cap and gown on top.

Mrs. Martin Golden said all were well behaved, and everyone pitched in and helped her clean up after they ate outside. She was appreciative of the box of candy the group gave her.

Bill is going to attend Antioch high school.

Mr. and Mrs. Ed Bernau of White Oak drive visited Ed's mother, Mrs. Nora Bernau, Sunday afternoon. She is a patient in St. Elizabeth hospital. Later, they visited the James Bernau family in Roselle.

The seventh grade class of the Prince of Peace school were hosts and hostesses to the graduating class Monday evening. Seventh grade mothers did the serving.

Prince of Peace school had its annual school picnic May 26 at Benet Park. Using Carol and Anthony LaBarbera's own words, "We had a ball."

Mrs. Evelyn Lazansky of Hawthorne drive entertained her Tuesday Night club May 24. The ladies are Mesdames Pearl LaBarbera, Lorraine Grant, Alberta Bethley, Betty Quinn and Jane Lindberg. They play cards every two weeks.

Steven Smith 4, of Pinecrest lane, had his tonsils removed May 28, by Dr. Joseph Tauchas of Lake Villa. He was a patient at St. Therese hospital. He is the son of Bob and Dorothy Smith. They have a daughter Wendy, 2, also.

Happy Birthday to Carol LaBarbera of White Oak drive, on her 11th, May 28. Her grandmother, Mrs. Mary Romano of Bristol, Wis., came out Wednesday with Carol's aunt, Mrs. Frances Priola of Chicago. Sunday visitors were Mr. and Mrs. Jim LoSasso and their son, Buddy of Chicago, and Mr. and Mrs. Mojziszczak of Chicago. Carol is the

daughter of Joe and Pearl LaBarbera.

Bonnie Swoboda of Valley drive, entered her teens on May 27 with a small supper party. Her friends came right from school. They were Camilla Tischler of Fox Lake Hills, Suzanna Gerlick and Mary Rice of Venetian Village, Coleen Munhern of Petite Lake Highlands and Virginia Rosel of Lake Villa.

The girls enjoyed a buffet style supper, and a beautiful cake decorated with two teenagers dancing to the music from a phonograph. Later, the girls had the garage rocking and jumping with them dancing to the latest dance tunes, until about 9 p.m.

Sandy Golden of Elmwood drive, had a family birthday party Sunday afternoon. Her maternal grandparents, Bill and Gert Wright of Chicago, came out, bringing a close family friend, Miss Sarah Seigel. Her aunt and uncle, Jane and Bill Josephson, their children, Nancy, Jimmy and Susan came from Joliet.

New electric built-ins bring new beauty, new smartness to your kitchen. Make cooking a lot cooler, too. The oven is insulated on all six sides. Surface units transfer heat directly into the pans—not around them. Your kitchen stays at least 10 degrees cooler and a lot cleaner.

No stooping or bending. Electric ovens are waist-high, take up less space—because broiler is built into oven. Compact range top gives you more usable counter space.

Medical Mission Seeks Donations

By Mrs. Pearl Kapell

The committee of the St. Peter's Medical Mission appeals to the public to donate any discarded sheets or pillowcases for their use in rolling bandages.

The demand for the bandages is great, and the ladies could use a great deal more linens than they can get. The linens can be either white or pastel.

They also would appreciate discarded dress shirts, either white or pastel, which they would make into bed jackets.

Shirts with worn collars or a rip in the sleeve are acceptable, but the material in the shirt must be in good enough condition to stand up under laundering.

Bandages and bed jacket are used in medical missions overseas in the Near East, and of course the work is entirely charitable.

If one has any of these materials to give, he or she may call Mrs. E. B. LaPlante, of Lake Marie, chairman of the committee, at Antioch 278, and she will be glad to pick up the linens.

Or they may be left at the homes of Mrs. William Hynck, Lake Avenue, Channel Lake; Mrs. Arthur McGreal, or Mrs. Irving Forster, 505 Orchard street.

Surviving are three sons, Clarence of Kenosha, Gordon of Genoa City, Wis., and Arthur of North Dellmore, Long Island, N. Y.; one daughter, Mrs. Dorothy Horan, of the same address.

She was born August 16, 1883, in Spencer, Wisc. She had lived in Kenosha county for 26 years and in Antioch since 1941. Mrs. Wellman was a member of the Antioch American Legion Auxiliary no. 748.

She was preceded in death by her husband, August Wellman, on January 17, 1940.

Funeral services were held Wednesday afternoon at Strang funeral home. Rev. Wallace Anderson of Antioch Methodist church officiated. Interment was in Sunset Ridge Memorial park in Kenosha.

DR. LADISLAUS JUREK
Dr. Ladislaus Jurek, 59, of Indian Point near Antioch, died Tuesday at his home. He had lived at Indian Point permanently for the last two years and had made it his summer place for many years before that.

Dr. Jurek was born on November 10, 1900 at South Bend, Ind. He was a veteran of World War II and was a retired physician and surgeon.

The body was taken to a funeral home at 5218 South Kedzie avenue in Chicago. Burial will take place in Resurrection cemetery in that city.

Date and time for services were not known locally.

WALTER C. KLEIN
Walter C. Klein, 53, of highway 41 and 173, died suddenly Tuesday of a heart attack. He was proprietor and owner of a restaurant and service station on the corner of the two highways.

Mr. Klein was born on March 16, 1902 in Milwaukee.

Services will be held at a Milwaukee funeral home, 3621 West Villard avenue. The date and time were not known locally.

William E. Clarkson Killed in Accident

SPRING GROVE—A Grass Lake road resort proprietor, William E. Clarkson, 61, was killed last Friday when he was crushed under a truck when he was loading on a truck. He was pronounced dead at a McHenry hospital.

Clarkson, proprietor of the White Eagle resort on route 3, Spring Grove, had operated the place only a brief time. He ran a bowling alley in Fox Lake for eight years.

Surviving are his wife, Therese; five daughters, Mrs. Ruth Nick, Mrs. Irene DiNicola, Mrs. Shirley Glod, Mrs. Bernice Winstead and Mrs. Alice Bonner; a son, William; 12 grandchildren, a brother and two sisters.

Funeral services were held Tuesday afternoon at a Morton Grove chapel.

Will Visit Boston

Mr. and Mrs. Charles W. Pfleger of Channel Lake will leave this week Thursday for Boston to attend the annual meeting of the Mother Church, First Church of Christ Scientist, to be held in that city.

They are members of the Antioch church.

Unoccupied Rowboat Found by Water Men

An unoccupied rowboat was located in Lake Catherine near Antioch by the Chain O' Lakes Water Patrol over the holiday weekend.

Patrol sergeant William Davidson of Antioch said apparently the boat was blown ashore by the high winds. It was taken to Bob's Outboard Sales & Service on Lake Catherine.
